

North Shore Volleyball Club Team Uniform Package

As a Club Team Member you will receive a uniform shirt and spandex shorts. However, many teams chose to purchase warm-ups and bags to go with their uniform. In an effort to standardize the warm-ups and bags and to offer discounted pricing, NSJVB has put together the following Team Uniform Package that can be further accessorized by teams as they wish.

The uniform shirt is the same as last year's that is made by Smack Apparel and will look like the picture below. The shorts will be Flip spandex shorts with a 3" inseam:
