MAY 2	Tournament – TBD	Tournament – TBD	Clinic

Practice* - We do not have the Masconomet facility on February 14 and 21. Practice sites for those dates is TBD and will be announced at an earlier practice and posted on the web site www.nsjvb.org

Practices will be on the dates listed above. If a player is unable to attend a practice or tournament for any reason, that player must let his/her coach know in advance. If a player is ill, the coach should be called ASAP to indicate that she will not be at practice/tournament. Players are responsible for their own transportation to/from tournaments.

Girls' tournament sites are determined based on the teams' performance in the previous tournament. For this reason, we are unable to inform players of their tournament sites until the week prior to the tournament.
